

One Way Farm Children's Home is requesting a contribution toward an approximate cost of a \$2,000,000.00 complex that will represent the life of Joe Nuxhall. This grant will in part, help build the Joe Nuxhall Children's Center. Please give this grant your utmost attention, for one of the questions made to me by Joe Nuxhall before he passed away was, "If this building gets completed before something happens to me, can I teach baseball?"

Please find enclosed the necessary information to build a dream for a legend, Joe Nuxhall. You will find the necessary agreements, and blueprints. This complex will meet the needs of the mentally and physically challenged to encourage them to take a chance and to win. The Joe Nuxhall Children's Center will deliver services to the disadvantaged child so that they can begin to believe and grow.

I watched this man who would walk the grounds being greeted by the children, I saw a man with tears in his eyes and the love of children in his heart. I prayerfully await your consideration on the Joe Nuxhall Children's Center, and we will stand together and honor his memory.

In Service to the Children,
